- Quick implementation: Review the difference between income, taxes paid, and taxes due before students begin. Allow 8 to 10 minutes for matching.
- Differentiation: Provide struggling students with a word bank containing clue words such as "earned," "subtracted," "paycheck," and "returned."
- Engagement: Have pairs compare answers and explain which clue helped them make each match.
- Extension: Give students a simple fictional paycheck or tax scenario and ask them to correctly use five of the terms when describing it.
