Teacher's Guide

- Helpful as a quick skill check across Grades 3 to 12.
- Use as a warm up, review, or exit ticket after lessons on the Indian Ocean.
- Read questions aloud for younger learners to support access.

Differentiation Tips

- Younger students can circle answers while older students justify their choices in writing.
- Offer vocabulary previews for terms such as **monsoon**, **ecosystem**, and **trade route**.
- Allow students who need support to eliminate two incorrect choices first.

Engagement Ideas

- Create a class discussion after each question about why the correct answer makes sense.
- Have students draw a quick sketch of an Indian Ocean feature mentioned in the questions.
- Encourage peer teaching by having students explain answers to partners.

Extension Opportunities

- Research a real trade route that crosses the Indian Ocean and share findings.
- Explore how climate change impacts Indian Ocean coral reefs.
