

Name _____

Life In 1890

Directions: Choose one role from the list below. Write a short reflection explaining what your daily life might be like in 1890 during the Industrialization and Gilded Age. Answer all four prompts in complete sentences using historical details and evidence.

1. Immigrant entering the United States
2. Factory worker in a growing city
3. Industrial tycoon running a major company

Reflection Prompts

1. Describe your living or working environment.

2. What challenges would you face in this role?

3. What opportunities or benefits might you experience?

4. How would your role contribute to changes happening in America during this time?

Final Statement: Write 2-3 sentences explaining whether you would want to live this life if given the choice, and why.
