

Name _____

Industrial Then And Now

Directions: Read the comparison focus areas below. Use the chart to describe differences between the Industrialization era of the late 1800s and life today. Then answer the reflection questions using evidence from your chart. Write in full sentences.

Topic	Late 1800s (Industrialization and Gilded Age)	Today
Industrial Practices	1. 2.	1. 2.
Worker Rights & Conditions	1. 2.	1. 2.
Technology	1. 2.	1. 2.

Reflection Questions

1. Which category shows the biggest change between the late 1800s and today? Explain why using specific examples.
2. How did reforms and new technology improve the lives of workers or consumers over time?
3. Give one example of something from the Industrialization era that still affects how we live or work today.
