

Name _____

Intensive Repair

Directions: Each sentence below contains an **incorrect use of an intensive pronoun**. Some are used when a reflexive pronoun is needed, others are placed in the wrong spot. Read carefully, then rewrite the sentence so the intensive pronoun is used **correctly**.

1. She cut herself while chopping vegetables, but she herself needed a bandage.

Rewrite: _____

2. I told myself that I would not be nervous during the test itself.

Rewrite: _____

3. The children hurt themselves when they themselves fell off the swing.

Rewrite: _____

4. The teacher explained the directions clearly to herself.

Rewrite: _____

5. He washed himself the car before leaving for work.

Rewrite: _____

6. We blamed ourselves for forgetting the homework, not ourselves.

Rewrite: _____

7. You should give yourself credit for the project yourself.

Rewrite: _____

8. The dog itself chased its tail until it tired itself out.

Rewrite: _____
