

Name \_\_\_\_\_

## Reflexive vs. Emphasis

**Directions:** Read each sentence carefully. Decide whether the pronoun in bold is being used as an **Intensive Pronoun** (adds emphasis, not required for the sentence) or a **Reflexive Pronoun** (reflects back to the subject and is necessary for the meaning). Write **Intensive** or **Reflexive** on the line.

1. I baked the cookies **myself**. \_\_\_\_\_
