Irregular Evidence

Directions: You are a **Grammar Detective!** Read the paragraph below carefully. It is filled with **10 mistakes in irregular forms** (verbs and nouns). **Circle** each mistake and **rewrite** each word correctly in the boxes provided.

Yesterday, three mans goed to the park after school. They buyed snacks from the stand and eated them under a tree. A group of childs ran by, laughing loudly. Suddenly, one boy tripped and falled on the ground. His friend quickly bringed him some water, but the boy had already dranked his bottle earlier. In the distance, several geoses were flying across the sky. The boys writed their names on the picnic table before they leaved for home.
