

Name _____

Italy's Cultural Echoes

Directions: Reflect on each prompt and write your responses in complete sentences. Use what you know about Italian food, art, music, and design to support your ideas.

1. How has Italian **food** become part of everyday life in places outside of Italy? Give one example and explain why it is popular.

2. Many famous works of **art** were created in Italy. How do these artworks continue to influence students, artists, or museums around the world today?

3. Italian **music** includes classical traditions, opera, and regional folk styles. Explain one way Italian music has shaped global music or inspired performers.

4. Italy is known for its creative **design**, from fashion to cars to architecture. Describe how one type of Italian design has influenced trends or styles in other countries.

5. Choose one area of culture mentioned above and explain why you think it has had the biggest impact on the world. Support your answer with details.
