Teacher's Guide

Purpose

- Help students recognize Italy's major landmarks and the cities where they are located.
- Build quick geography recall skills for grades 3 to 5.
- Support understanding of bolded vocabulary such as **landmark**, **canals**, and **forum**.

Instructional Tips

- Review each landmark aloud before beginning the matching activity.
- Allow students to connect answers by lightly drawing lines if that helps them think before writing letters.

Engagement Ideas

- Display photos of each landmark and have students guess the city before revealing.
- Let students share which landmark they would most like to visit and why.

Extension Activities

- Have students write a short paragraph describing one Italian city and what makes it special.
- Invite students to create a simple mini postcard drawing one landmark and labeling its city.
- Ask students to compare two cities in Italy and explain one way they are different.
