Teacher's Guide

- **Using this worksheet**
 - Read each row aloud and ask students to repeat each word to support early vocabulary growth.
 - Model how to compare words by saying what is the same and what is different.
 - Allow students time to talk through their thinking before circling an answer.
 - Encourage students to look for categories such as animals, foods, weather, and objects.
- **Extension ideas**
 - Ask students to generate another word that would fit with the two matching words in each row.
 - Use selected words for beginning-sound or rhyming mini-lessons.
