## Building Job Words

**Directions:** Combine the word parts below to make new **compound words** related to jobs and workplaces. Then, choose three of your new words and write short sentences showing how each one is used in real life.

fire + fighter = \_\_\_\_\_

police + officer = \_\_\_\_\_

class + room = \_\_\_\_\_

team + work = \_\_\_\_\_

mail + box = \_\_\_\_\_

note + book = \_\_\_\_\_

news + paper = \_\_\_\_\_

farm + house = \_\_\_\_\_

build + worker = \_\_\_\_\_

light + house = \_\_\_\_\_

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

**Follow-Up Activity:** After you create your compound words, look at them closely!

1. Which ones describe people?
2. Which ones describe places or things?
3. Can you think of one more **new job-related compound word** of your own?
