

Name _____

Challenge On The Trail

Directions: Read each expedition dilemma. Write how the Corps of Discovery should respond and explain why that response would help the group succeed.

1. A fierce storm is approaching while the team travels on the river.

What Should the Expedition Do?	Why?

2. Food supply is getting low & hunting hasn't been successful for several days.

What Should the Expedition Do?	Why?

3. The group meets a new Native American tribe and needs to gain their trust.

What Should the Expedition Do?	Why?

4. One of the canoes is badly damaged and cannot be used for travel.

What Should the Expedition Do?	Why?

5. The explorers find an unknown plant. Some men want to eat it right away.
