

Name _____

answers Line Tracing

Instructions: Connect the Colored Dots
With your pencil, connect the dots to create magical paths!

- ✓ Connect the red dot to the blue dot with a straight line.
- ✓ Now, connect the blue dot to the yellow dot with a curved line.
- ✓ Next, connect the yellow dot to the green dot with a zigzag line.
- ✓ Then, connect the green dot to the purple dot with a straight line again.
- ✓ Finally, connect the purple dot to the red dot with a curved line.
