## Timeline Trail Answer Key

### Correct Order:

1 → B. Students set up tables with bright tablecloths.

2 → E. Plates of cookies, muffins, and brownies were arranged.

3 → D. Signs were created to show the prices.

4 → A. Parents and teachers began arriving to buy treats.

5 → C. The students counted the money and cheered.

6 → F. The class raised enough money to buy new books.

### Teacher Notes:

- This exercise checks students' ability to **track literal sequencing** in a passage.
- Remind students to read carefully. Events like "counting money" and "raising funds" may sound similar but appear in separate steps.
- Encourage rereading if students struggle, since order is best confirmed by cross-checking details line by line.
