## Speaker Search Answer Key

1. **Lena** - She was the one missing her backpack.
2. **Jordan** - He suggested Lena might have left it by the swings.
3. **Marco** - He remembered seeing Lena with the backpack after recess.
4. **Lena** - She expressed relief after the backpack was found.
5. **Marco** - He made the closing comment once the search was over.

### Teacher Notes:

- This activity strengthens students' **literal recall of dialogue**.
- Encourage them to reread carefully. Sometimes dialogue could seem interchangeable, but the passage gives context clues.
- Extension idea: Have students create their own short dialogues and quiz partners with "Who Said It?" questions.
