### The Art Contest

The city library hosted an art contest on Saturday afternoon. Children from many different schools came to participate. Tables were set up with crayons, paints, and colored pencils. Sarah painted a picture of a rainbow stretching across a farm. Ethan drew a tall lighthouse with waves crashing around it. Judges walked around the room, looking at the artwork and asking students about their ideas. After an hour, the judges announced the winners. Sarah received a blue ribbon for her rainbow painting. Ethan earned second place for his lighthouse drawing. All the children clapped and cheered for each other's work.
