Hiking For Errors

Directions: Read the passage carefully. There are **five errors** where **little**, **a little**, or **the little** is used incorrectly. Find and fix them by rewriting the sentences correctly.

After a long hike up the mountain, we had *the little* energy to cook dinner, but we still tried. *Little* people from our group wanted to help, so it took extra time. Luckily, there was *a little* food left in our bags, and we shared it around the campfire. *The little* laughter we had quickly faded when it started to rain. Still, *little* teamwork helped us stay dry and cheerful until the storm passed.
