

Name _____

Rewriting A Little

Directions: Read each sentence carefully. Some bolded determiners (**little**, **a little**, or **the little**) are used incorrectly. Correct those and rewrite the sentence correctly. If there are no errors, write "Correct".

1. After studying all night, she had **a little** energy left to finish her essay.

2. **The little** rain that fell was not enough to fill the pond.

3. We had **little** snacks left, so we shared them with everyone.

4. He had **the little** patience for rude comments from his classmates.

5. They made **little** progress on the model airplane but didn't give up.

6. **A little** time we had before class was spent reviewing notes.

7. I added **the little** sugar to my tea to make it sweeter.

8. **A little** courage he had helped him speak in front of the crowd.

9. We had **little** water left in our bottles after the hike.

10. She used **a little** creativity to make her project unique.
