Teacher's Guide

- **Skill focus:** Students locate and sort **long vowel rhymes** within connected text, strengthening decoding and pattern recognition.
- **Differentiation:**
 - Support: Read the passage aloud and pause after each sentence to listen for rhyming endings together.
 - Challenge: Ask students to add one new word to each rhyme family that was not in the passage.
- **Engagement:** Have students highlight each rhyme family in a different color before sorting.
- **Extension:** Students write one original sentence using two words from the same rhyme family.
