1. lake, bake, snake
2. goat, coat, float
3. meet, heat, sweet
4. bite, light, white
5. dome, foam, roam
6. tube, mule, June

### Teacher's Guide

- **Quick teach:** Have students say the target word, then say each choice. Ask, "Do they end with the same sound?" Emphasize the **long vowel** sound in the rhyming words.
- **Differentiation:**
  - Support: Read the words aloud and let students touch each word as they repeat it. Start with one target set at a time.
  - Challenge: After coloring, have students underline the long vowel pattern in the rhyming words (like a\_e, oa, ee, i\_e, o\_e, u\_e).
- **Engagement:** Use a "sound check" routine: students whisper the pair (cake-lake) and give a thumbs up if it rhymes.
- **Extension:** Ask students to write one new rhyming word for any two target words, then draw a quick picture to match their new word.
