Teacher's Guide

- **Skill focus:** Students listen for the ending sound and sort words by **long vowel rhyme families**.
- **Differentiation:**
 - Support: Say each word aloud and stretch the ending sound before sorting.
 - Challenge: Ask students to add one new word to each rhyme mat.
- **Engagement:** Have students read each sorted group aloud together to hear how the words rhyme.
- **Extension:** Students choose one rhyme family and draw a quick picture for one word in that group.
