## Spot the Sneaky Sentence! Answer Key

**Case #1: 1** – "Some people use bats to play baseball." (Doesn't fit with facts about flying bats)

**Case #2: 4** – "Elephants drink water by using their trunks." (Elephants are not reptiles)

**Case #3: 3** – "Rainbows appear when sunlight passes through raindrops." (About rainbows, not lightning/thunder)

**Case #4: 2** – "Oranges contain a lot of vitamin C." (About oranges, not apples)

**Case #5: 4** – "Volcanoes erupt with hot lava and ash." (Volcanoes are not about mountain climbing or Everest)
