Paragraph Repair Shop – Fix the Main Idea! Answer Key

Sample Rewrites

(Note: Student responses may vary slightly as long as the **main idea is clear and all supporting details are relevant.**)

✓ Repaired Paragraph 1:

Citrus fruits are a great source of vitamin C. Vitamin C helps keep you from getting sick. You can also find vitamin C in strawberries and kiwis. Oranges are delicious, but some people prefer bananas.

✓ Repaired Paragraph 2:

Cheetahs are fascinating creatures known for their speed and appearance. They can run faster than any other land animal, reaching up to 70 miles per hour. Cheetahs have black spots on their fur. Some cheetahs live in wildlife reserves.

✓ Repaired Paragraph 3:

Elephants are amazing animals with many unique features. Their large ears help them stay cool in hot weather. They can use their trunks to grab food. Elephants also live in family groups.
