

Name _____

Main Idea Carnival: Match the Booths!

Directions: Below are 4 **Main Idea Booths** and 4 **Groups of Supporting Details**. Your job is to **match each group of details to the main idea it best supports**. Write the correct letter of the main idea next to the group of supporting details. Think of each detail group as a “visitor” trying to find its matching carnival booth!

Main Idea Booths

- A. Eating healthy snacks gives your body energy and keeps you strong.
 - B. Elephants are fascinating animals with many unique traits.
 - C. Playing a musical instrument takes practice and patience.
 - D. The moon affects Earth in important ways.
-
