

Name _____

Newsroom Intern Challenge Answer Key

These are **plausible inferences** students might make based on clues. Multiple reasonable answers may be accepted if supported with logic.

1. **Inference:** The town is likely experiencing a heat wave or hot weather, causing more people to buy ice cream than usual.
2. **Inference:** There may have been protests, disturbances, or public safety threats that led officials to impose a curfew.
3. **Inference:** The runner likely had an injury or disability but was determined to finish the race, inspiring the audience.
