## Drama Club Script Detective

**Instructions** - Read each short dialogue between characters. Use tone, word choice, and context clues to **infer what's really happening** (feelings, relationships, situations). Write your inference in 1-2 sentences.

### Scene 1: "The Forgotten Call"

**Sasha:** "Oh, no, it's totally fine. I didn't even notice you didn't call."

**Jamie:** "I'm really sorry. I meant to-something came up. Honestly."

**Sasha:** "Like I said, it's fine. I get it. Things happen."

**What can you infer about how Sasha really feels?**

---

---

---

### Scene 2: "Group Project"

**Leo:** "You did the whole poster? Even the captions?"

**Ava:** "Yeah. I figured since you never answered the texts, you were... busy."

**Leo:** "Oh. Right. I, um, had a thing."

**What can you infer about Ava's feelings or expectations?**

---

---

---

### Scene 3: "Grandpa's Story"

**Grandpa:** "That lake? I haven't been there in years. That's where your grandma and I met. She wore this ridiculous yellow hat."

**Ella:** "You smiled when you said that."

**Grandpa:** "Did I? Well... she always made me smile."

**What can you infer about Grandpa's memories?**
