Teacher's Guide:

- **Differentiation Tips:** Read each behavior aloud and model circling the correct response for one item. Provide visual cues (thumbs-up or thumbs-down icons if needed).
- **Engagement Ideas:** Turn the list into a role-play game where students act out each behavior and classmates decide if it is polite or impolite. Discuss why.
- **Extension Activities:** Ask students to create three new examples of polite and impolite behaviors from their own experiences. Have them share one polite action they can practice that week in school or at home.
