### Teacher's Guide:

- **Differentiation Tips:** Read each question aloud and discuss vocabulary such as "tone," "rant," and "etiquette." For visual learners, show side-by-side examples of polite and impolite online messages.
- **Engagement Ideas:** Host a "Digital Manners Challenge" where students act out online scenarios using proper digital tone. Have peers vote on the most respectful examples.
- **Extension Activities:** Encourage students to create a short "Digital Citizenship Code" for their class, listing five online behavior rules that promote kindness, safety, and respect in communication.
