### Teacher's Guide:

- **Differentiation Tips:** For emerging readers, read the words and meanings aloud, using simple examples for each term. Offer visual aids such as pictures showing polite actions.
- **Engagement Ideas:** Have students act out each vocabulary word through short skits or role-play (e.g., a "courteous" student opening a door for a classmate).
- **Extension Activities:** Ask students to write one real-life sentence for each vocabulary word. Create a "Politeness Word Wall" and encourage students to add new manners-related words they discover throughout the week.
