- C. A grand theater alive with actors and an orchestra.
- D. A sandy beach with umbrellas and waves.
- E. A desert trail stretching beneath a hot sun.
- F. A quiet public library with tall shelves and readers.
- G. A grocery store aisle packed with shoppers and carts.
- H. A buzzing classroom transformed into a science fair.

\_\_\_\_\_ 1. The classroom buzzed with excitement as students hurried to put the final touches on their science projects. Posters leaned against desks, models of volcanoes hissed with dry ice, and carefully labeled charts lined the walls. Outside the windows, parents and guests gathered to be let in. For the students, this was not just an ordinary day of lessons—it was the science fair they had been preparing for all year.

\_\_\_\_\_ 2. The smell of buttered popcorn filled the air as the lights dimmed. Children whispered eagerly while adults shuffled in their seats. Suddenly, the giant curtain rose, and music poured from the orchestra pit. Actors in bright costumes stepped onto the stage, bringing the story to life. For two hours, the audience laughed, clapped, and held their breath, swept away by the performance.

\_\_\_\_\_ 3. Snow crunched under Sofia's boots as she carried her sled up the hill. Children zipped past her, shrieking with joy as they sped down icy tracks. A group of friends built a snowman nearby, while others pelted each other with snowballs. The air was cold and crisp, but everyone's cheeks glowed red with laughter and movement. At the top, Sofia climbed on her sled, ready for another thrilling ride.

\_\_\_\_\_ 4. The tall shelves stretched high above, filled with books of every size and color. The scent of old paper mixed with the quiet hum of an overhead light. A librarian pushed a cart down the aisle, stopping to re-shelve novels. Students hunched over tables with notebooks open, while others searched the catalog computers for information. The soft stillness seemed to invite everyone to read and learn.
