

Life Lesson Matching Answer Key

- **Passage 1 → F (Trust is fragile and should not be broken.)**
 - Omar's story revolves around betraying and regaining trust. While G (responsibility) seems close, the emphasis is on broken trust, making F the best fit.
- **Passage 2 → B (Working hard and not giving up helps people grow stronger.)**
 - Sienna motivates her team to keep practicing, leading to improvement. E (winning matters less) is tempting, but the passage highlights perseverance as the central lesson.
- **Passage 3 → H (A single kind act can make a big difference for someone else.)**
 - Elena's choice to invite the new student shows how kindness changes lives. A (mistakes happen) could distract, but H clearly fits best.
- **Passage 4 → C (Enjoyment must be balanced, or it can turn harmful.)**
 - Jayden learns that overusing his tablet causes problems. G (responsibility) may sound close, but the moral centers on balance and moderation.

Teaching Tip:

Encourage students to **explain why the other options don't fit as well**. The subtle overlap is intentional to build deeper critical thinking.
