## Mayflower Compact Journey Answer Key

1. The Pilgrims leave England to find religious freedom.
2. The Pilgrims sail across the Atlantic Ocean on the Mayflower.
3. The Mayflower lands near Cape Cod, far from where they planned to settle.
4. The Pilgrims agree to work together and write the Mayflower Compact.
5. The Pilgrims choose leaders and promise to follow fair laws.
6. The Pilgrims settle in Plymouth and begin building their new colony.

A strong bonus response should include that the Compact helped them make rules, stay organized, and work together fairly.
