Quick Tips for Differentiation:

- **Grades 4-5:** Read the passage aloud as a class and fill in blanks together for guided practice.
- **Grade 6:** Have students work independently, then discuss the meaning of each completed sentence.
- **Upper Grades:** Extend by asking students to rewrite the passage in their own words or add a paragraph about how their family observes Memorial Day.

Engagement Ideas:

- Add a **mini vocabulary challenge** where students define the words "sacrifice" and "honor."
- Encourage students to illustrate one part of the passage (e.g., decorating a soldier's grave with flowers).
- Play gentle patriotic music while reading to build emotional connection.

Extension Ideas:

- Ask students to write a short reflection: "Why is remembering important?"
- Have students research how other countries honor their fallen soldiers.
- Create a "Wall of Thanks" in the classroom for students to post messages of gratitude.
