Quick Tips for Differentiation:

- **Grades 4-5:** Read statements aloud and discuss reasoning together before students mark answers.
- **Grades 6-7:** Challenge students to explain *why* each statement is true or false in one sentence.
- **Upper Grades (8-12):** Extend into short research tasks verifying each fact with credible sources.

Engagement Ideas:

- Create a "**Fact or Fiction Wall**" where students post additional statements they've researched.
- Play a classroom quiz game using the same statements for team competition.
- Use patriotic visuals (e.g., poppies, flags, monuments) to connect history with imagery.
