## Modifier Makeover

**Directions:** Read the paragraph below. It contains **multiple misplaced and dangling modifiers**. Your job is to **identify the errors** and then **rewrite the paragraph correctly** so that all modifiers are clear and logical.

Waking up late, the bus had already left the stop. Running down the street with messy hair, the backpack slipped off my shoulder. Nearly I dropped everything as I rushed. Covered in sweat, the empty bus stop looked deserted. After yelling for help, the driver didn't stop and kept driving away. Hoping to catch up, my shoe became untied and tripped me. Crying in frustration, the tears rolled down my face quickly. Exhausted and discouraged, my homework papers flew into the street. Looking ahead, the crowded sidewalk blocked my way.
