

Name _____

Hunt the Danglers

Directions: Read the short passage below. It contains several **misplaced and dangling modifiers**. Identify each error, **underline** it, and then **rewrite** the passage correctly. Be sure that every modifier clearly and logically describes the right word.

Hurrying to finish breakfast, the bus drove away before Marcus reached the stop. Running with his shoelaces untied, the backpack bounced up and down. Nearly Marcus dropped everything while trying to keep up. After waving his arms wildly, the driver ignored him and continued down the street. Covered in sweat, the bus stop looked empty as Marcus arrived late to school.
