1. sad
2. happy
3. embarrassed
4. proud
5. angry
6. disappointed
7. excited
8. loved
9. upset
10. joyful

Teacher's Guide:

- Encourage students to use **facial expressions** or **body gestures** to show each feeling after filling in the blank.
- Offer a **word bank** or **picture cues** for emerging readers to support understanding of emotional vocabulary.
- Differentiate by having advanced students explain *why* the person feels that way in a full sentence.
- Extend the lesson by pairing students to act out one of the sentences while others guess the emotion being shown.
