Teacher's Guide

- **Goal:** Help students listen for matching **ending sounds** in familiar nursery rhyme words.
- **Differentiation:**
 - Support: Read each word pair aloud and stretch the ending sound before students choose.
 - Challenge: Ask students to say one more word that rhymes when they choose YES.
- **Engagement tips:**
 - Have students touch their ear when they hear a rhyme before coloring.
 - Use a call-and-response routine: teacher says the words, students answer "rhyme" or "no rhyme."
- **Extension ideas:**
 - Rhyme hunt: Students find one YES pair and one NO pair and explain why.
 - Partner play: One student says a word, the other gives a rhyming or non-rhyming word.
