Name _____

Transfer Tracker Answer Key

1. Checking: $1,050.00; Savings: $1,000.00.
2. Checking: $825.50; Savings: $1,270.00.
3. Checking: $1,715.25; Savings: $1,275.75.
4. Checking: $940.00; Savings: $1,900.00.
5. Checking: $1,600.15; Savings: $900.85.
6. Checking: $936.55; Savings: $1,424.75.
7. Checking: $2,600.00; Savings: $1,825.35.
8. Checking: $1,520.75; Savings: $1,855.25.

Teacher's Guide

- Quick implementation: Review that a transfer subtracts money from one account and adds the same amount to the other account.
- Differentiation: Have students label the sending account with a minus sign and the receiving account with a plus sign before calculating.
- Engagement: Ask students to act as online banking customers moving money between accounts while keeping both balances accurate.
- Extension: Have students verify that the combined checking and savings total remains unchanged after each transfer.
