## Tone Flip Rewrite

**Directions:** Read the paragraph below. Rewrite it by replacing the bolded adjectives and verbs with their **opposites** to completely change the tone and meaning. Be creative but logical-your new version should still make sense!

The **joyful** campers **rushed** into the **bright** meadow, laughing as the **warm** sun **shone** above them. Birds **sang** sweetly in the trees, and a **gentle** breeze **whispered** through the tall grass. Everything felt **peaceful** and **perfect**, as if nature itself were smiling back at them.

Now rewrite the paragraph with opposite words to flip the tone:
