

Name _____

Middle Piece Match

Directions: Read each paragraph. Choose the best middle sentence (A-D) to complete the logical flow. Circle the letter of your answer.

1. The old lighthouse was known for guiding ships safely to shore on foggy nights.
Many sailors said its bright beam was the first sign of home after days at sea.

A. Workers spent hours repainting the lighthouse a bright orange color.
B. Some people used the beach nearby for weekend picnics.
C. The light could shine for miles, cutting through even the thickest fog.
D. Tourists often bought postcards in the gift shop next door.

2. My science class is preparing for our annual model volcano showcase.
We will present the finished volcanoes to parents and teachers in the cafeteria.

A. Several students wanted to build a cardboard model of the school gym.
B. Teachers told us a story about real volcanoes around the world.
C. The cafeteria has posters about nutrition and healthy lunches.
D. Many classmates are shaping clay, testing paint colors, and planning eruptions.

3. A small family of ducks has been living near the pond behind our library.
Because the ducks return every year, many neighbors look forward to seeing them.

A. The library also has a quiet reading room with soft chairs.
B. Last winter, one duck perched on a fallen log and watched people walk by.
C. Some people enjoy feeding the ducks popcorn, even though it is not healthy.
D. The library stays open late on Fridays for book clubs.
