

Name _____

Sorting Smartly Answer Key

Pets: 1, 4, 7, 10

School Supplies: 3, 6, 9

Sports Equipment: 2, 5, 8

Teacher's Guide

- Encourage students to read each fact aloud to identify clue words like **ball**, **tank**, **pencil**, or **glove**.
- Offer picture cues or simple definitions for English learners or struggling readers to boost confidence.
- For students who need an extra challenge, ask them to explain **why** each fact belongs in its bucket using a complete sentence.
- Add an extension activity by inviting students to create two new facts for each bucket.
- Allow students to color-code categories to reinforce visual organization skills.
