## Topic Finder Answer Key

Correct answer: B

Best topic sentence: **Mushrooms are interesting foods that come in many varieties.**

### Teacher's Guide

- Help students look for **big umbrella ideas** that can cover all the details in the list.
- Encourage students to eliminate topic sentences that are too narrow or unrelated.
- Provide a mini lesson on what makes a strong topic sentence: broad, clear, and connected to all details.
- For students who need support, read the ideas aloud and ask guiding questions such as: What are all these ideas about?
- Challenge advanced learners to create their own set of three ideas and provide two incorrect topic sentences plus one correct one for a classmate.
