

Name _____

Transition Gaps

Directions: Fill in each blank with a transition word that helps the paragraph read smoothly. Then, answer the comprehension questions that follow.

_____, our class visited the community garden to learn how vegetables grow.

_____, a volunteer showed us how to loosen the soil with small hand tools.

_____, we planted tiny seeds in long rows and covered them gently.

_____, we watered the rows and cleaned up our tools before leaving.

Comprehension Questions

1. Where did the class go for their activity?

2. What was the first thing the volunteer showed the class?

3. Which detail explains how the seeds were handled?

4. What was the main purpose of visiting the community garden?
