## Paraphrase Pairs

**Instructions** - Below, you'll find **two columns**:

- **Column A** has **10 original sentences**.
- **Column B** has **10 paraphrased versions** in random order.

Your task is to **match each sentence from Column A with its correct paraphrase from Column B** by writing the matching **letter** next to each number.

**Tips:**

- Read carefully. The paraphrase will use different wording, but the same meaning.
- Watch out for trick options that are close but not quite right!
