Echo the Meaning

Instructions - You will find five short paragraphs below. Your task is to **rephrase each paragraph entirely**, keeping the **original meaning and tone**, but using your own words and sentence structures. You will need a piece of paper to write your paragraphs.

Guidelines:

- Do **not copy phrases directly** from the paragraph.
- Keep the meaning, flow, and key ideas intact.
- Your version should sound natural and original.
- Try to use **different sentence structures** or re-organize ideas where possible.

Paragraph 1 - Many people believe that success comes from talent alone. However, research shows that hard work, consistency, and perseverance often play a much bigger role. Talent might give someone a head start, but effort and determination are what help people reach their full potential.

Paragraph 2 - Plastic pollution has become a serious global problem. Every year, millions of tons of plastic waste end up in the oceans, harming marine life and ecosystems. Governments and communities are now looking for better solutions, such as reducing single-use plastics and improving recycling systems.

Paragraph 3 - Learning a new language can be challenging, especially for adults. It requires patience, practice, and regular exposure. Still, many people find it incredibly rewarding, as it opens up new opportunities for travel, work, and cultural understanding.

Paragraph 4 - During the summer months, energy bills tend to rise. This is mostly due to the increased use of air conditioning. To save money and conserve energy, people are encouraged to use fans, close blinds during the day, and set their thermostats a few degrees higher.

Paragraph 5 - Teamwork is essential in many areas of life, from school projects to professional careers. When people collaborate effectively, they can combine their strengths and achieve better results. Good communication and mutual respect are key ingredients in any successful team.
