

Name _____

Echo the Meaning Answer Key (Sample Responses)

These are sample paraphrases. Other versions are acceptable if they preserve the meaning and tone.

Paragraph 1 – Sample Paraphrase

While some think success is mainly about being talented, studies indicate that working hard and staying persistent are usually more important. Natural ability may give someone an early advantage, but dedication and consistent effort lead to real achievement.

Paragraph 2 – Sample Paraphrase

Plastic waste is a major environmental issue worldwide. Each year, vast amounts of plastic make their way into the oceans, endangering sea creatures and habitats. In response, many governments and communities are promoting solutions like cutting down on disposable plastics and enhancing recycling programs.

Paragraph 3 – Sample Paraphrase

Mastering a new language is often difficult for adults. It demands regular practice, patience, and immersion. Despite these challenges, many people enjoy the benefits, such as improved travel experiences, job prospects, and a deeper appreciation for different cultures.

Paragraph 4 – Sample Paraphrase

Energy costs typically increase during the summer because air conditioners are used more often. To reduce expenses and energy use, individuals are advised to use fans, block out sunlight with blinds, and adjust their thermostat settings slightly higher.

Paragraph 5 – Sample Paraphrase

Whether in school or at work, teamwork plays a vital role. When individuals work together well, they can leverage their strengths for better outcomes. Clear communication and showing respect to one another are essential for any team to succeed.
