Swap It Out!

Instructions - You will see 10 sentences below, each with **one underlined word**. Your task is to **swap out the underlined word** with a **synonym** that fits naturally in the sentence.

Important:

- Choose a synonym that **keeps the meaning of the sentence the same**.

- The new word must **fit the sentence grammatically** (e.g., verb for verb, noun for noun).

- Use only **one-word synonyms** unless otherwise noted.

- Try not to repeat synonyms across sentences.
