## Harbor History Flow

**Directions:** Read each event carefully. Write the events in the correct order from what happened first to what happened last. Use clues in each sentence to decide when each event took place.

1. American forces at Pearl Harbor began to rebuild their naval base, turning the tragedy into a symbol of strength.
2. Japan launched a surprise attack on the U.S. Pacific Fleet anchored at Pearl Harbor, destroying ships and aircraft.
3. Early on the morning of December 7, 1941, radar operators spotted unidentified planes approaching Hawaii.
4. The United States declared war on Japan the day after the attack, entering World War II.
5. Months before December 1941, tensions between Japan and the U.S. grew due to trade restrictions and expanding military actions in Asia.
6. Survivors and families later honored the fallen through memorials, ceremonies, and moments of silence each year on Pearl Harbor Remembrance Day.

Write down the correct order:
