Teacher's Guide:

- **Differentiation Tips:**
 - For Grades 5-6: Pre-teach vocabulary such as *fleet*, *recognition*, *controversy*, and *responsibility*.
 - For Grades 7-9: Encourage citing text evidence in responses for higher-level analysis.
- **Engagement Ideas:**
 - Play a short audio clip or show a historical photo of each person before reading.
 - Have students act as reporters, writing short "interview" questions they would ask each figure.
- **Extension Activities:**
 - Encourage reflection: "What does it mean to be a hero in times of crisis?"
 - Challenge advanced students to research whether Admiral Kimmel was later exonerated and summarize their findings.
